

NLP Team building workshop – making business work

<p>Can you build instant rapport with anyone you meet?</p>	<div style="text-align: right;">  </div> <p><i>NLP – is the technology of human excellence and high performance – it is today’s business tool for tomorrow’s best managers. It is fast, effective and enduring..</i></p>
	
<p>Can you see and read peoples’ thinking patterns?</p>	<p>Can you imagine how effective and powerful NLP is?</p> <p>NLP stands for <i>Neuro-linguistic-programming</i>. It is a set of easy-to-grasp tools to manage ways: of thinking, feeling and being. Our internal states manage what is external to us.</p> <p>NLP accelerates learning for managers and teams. It is practical at work and in life, as it just makes sense.</p> <p>NLP tools make building relationships easy. The techniques rapidly change behaviours, motivations and thinking.</p> <p>PDx Consulting is experienced and highly qualified at applying NLP as a business tool for today’s organisations.</p> <p>We use NLP as a powerful change agent, and for maximising organisational performance. It resonates with management, teams and individuals alike.</p> <p style="text-align: center;">Performance = Potential - interference</p> <p>We deliver in-house, or at any suitable external location.</p> <p>We guarantee you’ll see a fast return on investment.</p>
	
<p>Do you know what you really want? Do you sense what’s even possible?</p>	
	
<p>Can you tap into your inner potential whenever you want?</p>	<p>The NLP workshop lets you discover:</p> <ul style="list-style-type: none"> ✓ Enriched communication – sensory specific language – listen, watch, feel and learn ✓ sensory acuity – intuitive thinking, with your body ✓ visualising outcomes - achieving what you really want. Sound out new possibilities and potential. ✓ re-programming unhealthy attitudes – reactive vs proactive ✓ managing emotional states – anchoring ✓ building deep rapport – develop a climate of trust ✓ Negotiating your way through life – perceptual positions and match, pace, lead ✓ Pulling your self together – resolving conflict and incongruence ✓ Aligning yourself to change and resourcefulness
