

LEARN SOME **Time Management** magic

What are your biggest time stealers?

- *Inability to say No!*
- *Procrastination*
- *Management by crisis*
- *Ineffective delegation*
- *Interruptions*
- *Lack of self discipline*
- *Personal disorganisation*

How much has your success and promotion been affected by poor time management skills?

Learning to make time for what's important will improve your company's profits.

This one day course will sort out your time management issues once and for all.

You will be amazed at how much more you will achieve in your life!

It's so impressive you will be talking about it for years...

As a taster, PDx is offering a

FREE LUNCHTIME SESSION

to the senior management within your business – book your boardroom and organise a session when the key members can be available. We'll bring lunch and show you how our profiling methods can work for you.
